NOTICE

It is hereby notified for the information of all concerned students of Semesters I, II, and III that the Ability Enhancement Course (AEC) choices must comprise both English and MIL (Modern Indian Language).

It has been observed that some students have opted for English in all semesters. This needs to be corrected immediately for those admitted in 2025 as well as those being registered in 2026. As per the guidelines, students must complete at least one English AEC and at least one Indian Language AEC across these three semesters. If an MIL course is not available in the college, students are required to complete the course via the SWAYAM portal or an equivalent source. This is in accordance with the UGC NEP guidelines and WBSU NEP Regulations 2025.

Please note that no rectification fee of ₹100 or ₹500 (as the case may be) will be charged for this AEC correction; the correction fee has been completely waived for the students.

Affected students are directed to contact the college office on 21/09/2026 to 22/09/2026, to complete the necessary rectification.
