REPORT

Event Name: Special Lecture on Indian Knowledge System (IKS)
Organized By: IQAC, Dum Dum Motijheel Rabindra Mahavidyalaya
Date: 16th September 2022
Venue: Seminar Hall, Dum Dum Motijheel Rabindra Mahavidyalaya
No of Participants: 26

A Special Lecture on the Indian Knowledge System (IKS) was organized by the Internal Quality Assurance Cell (IQAC) of Dum Dum Motijheel Rabindra Mahavidyalaya on 16th September 2022. The event took place at the Institute Seminar Hall and witnessed an enthusiastic participation of 26 attendees, including faculty members, students, and staff.

The keynote speaker for the session was Mr. Durga Sankar Koley, a distinguished scholar with deep insights into the Indian Knowledge System. Mr. Koley delivered a compelling lecture, shedding light on the historical evolution, core principles, and contemporary relevance of IKS. He emphasized how ancient Indian traditions in science, philosophy, literature, and art continue to influence modern knowledge paradigms.

The session also included an interactive segment, where participants engaged with the speaker through questions and discussions, reflecting their keen interest in the topic. The lecture contributed significantly to enhancing awareness and appreciation of India's rich intellectual heritage.

The program concluded with a vote of thanks offered by a faculty member from the organizing committee, expressing gratitude to Mr. Koley for his insightful presentation and to all participants for their active involvement.

Overall, the event was a great success in promoting interdisciplinary dialogue and fostering a deeper understanding of India's indigenous knowledge systems among the academic community.

Event Name: Certificate Course on 'Theory of Knowledge in Indian Philosophy'

Organised by: Department of Sanskrit

Date: 8th February,2023-31st,March, 2023

No of Participants: 65

The Department of Sanskrit, Dum Dum Motijheel Rabindra Mahavidyalaya, successfully organized a 30-hour Add-on Course titled "*Theory of Knowledge in Indian Philosophy*" from 8th February,2023-31st,March,2023. The course was designed to provide an in-depth understanding of Indian epistemological thought, with special emphasis on classical philosophical systems and their methods of acquiring valid knowledge (*pramāṇa*).

This value-added course was open to students from various disciplines, and it received an enthusiastic response from both undergraduate and postgraduate learners. The primary objective of the course was to enrich the academic foundation of students by exposing them to the rigorous analytical traditions of Indian philosophy and its methods of reasoning.

Course instructors:

The course was conducted by the esteemed faculty members of our college

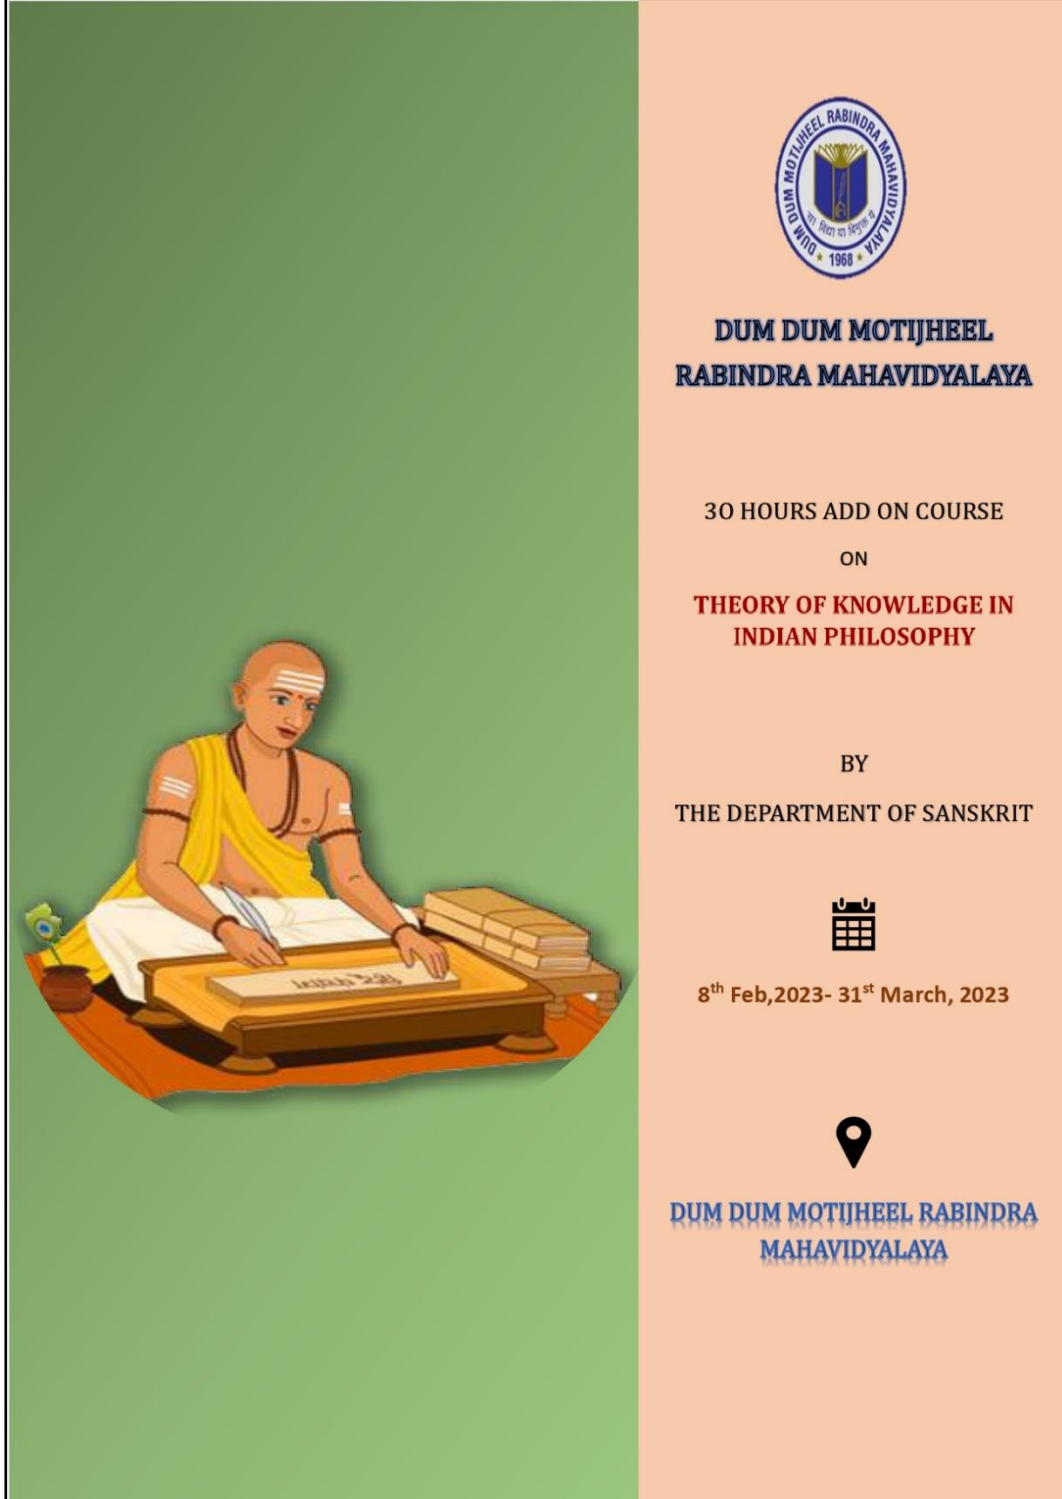

1. Dr. Sukanya Bhattarjee
2. Smt. Moumita Banerjee
3. Smt. Yashmin Sultana

Participation:

A total of 65 participants enrolled for this course. Participants were evaluated through attendance, active participation, and a short written assessment. Certificates of completion were awarded to those who fulfilled all course requirements.

Conclusion:

The 30-hour Add-on Course on "*Theory of Knowledge in Indian Philosophy*" was a significant academic initiative that enriched the learning experience of all 65 enrolled participants. The Department of Sanskrit received highly positive feedback for organizing a well-structured and thought-provoking course. The department looks forward to hosting similar value-added programs in the future to further promote the study of Indian intellectual traditions.

Event Name: Celebrating International Yoga Day

Organized By: IQAC & NSS UNIT, DDMRM

Date: 21st June 2023

Venue: Seminar Hall, Dum Dum Motijheel Rabindra Mahavidyalaya

No of Students Participated: 10

To commemorate the significance of holistic well-being and inner harmony, the IQAC and NSS Unit of Dum Dum Motijheel Rabindra Mahavidyalaya jointly organized an event titled "*Celebrating International Yoga Day*" on 21st June 2023. The event took place in the college's Seminar Hall and saw the enthusiastic participation of 20 students.

The program commenced with a brief introduction on the importance and origin of International Yoga Day, followed by a practical yoga session led by experienced volunteers. Students engaged in various yoga postures (asanas), breathing exercises (pranayama), and meditation techniques, emphasizing the theme of health, mindfulness, and balance.

The session highlighted yoga's role in managing stress, improving physical health, and promoting mental clarity—especially relevant in the lives of young students. Faculty members and coordinators from IQAC and NSS encouraged students to incorporate yoga into their daily routine.

The event concluded with an interactive discussion, during which participants shared their experiences and reflections on yoga's impact. The initiative successfully raised awareness about the benefits of yoga and inspired students to embrace a healthier lifestyle.

Event Name: Inauguration of Centre for Studies and Research in Indian Knowledge System

Organized By: IQAC, DDMRM

Date: 28th February, 2025

Time: 1 PM

Venue: Seminar Hall, Dum Dum Motijheel Rabindra Mahavidyalaya

No of Students Participated: 34

The Dum Dum Motijheel Rabindra Mahavidyalaya took a significant step towards promoting India's rich cultural heritage and traditional knowledge systems with the inauguration of the Centre for Studies and Research in Indian Knowledge System (IKS). The ceremony marked a new era in the college's pursuit of academic excellence and cultural preservation.

The inauguration ceremony was graced by esteemed guests, including our Hon'ble Principal Prof. (Dr.) Arijit Saha and Shri Subhabrata Bhattacharya, Joint Coordinator IQAC. The ceremony began with a traditional lamp-lighting ceremony, followed by a welcome address by Durga Sankar Koyel, SACT, Department of History.

Dr. Sukanya Bhattacharjee, SACT, Department of Sanskrit, emphasized the importance of preserving and promoting India's traditional knowledge systems. The speaker highlighted the significance of IKS in addressing contemporary challenges and promoting sustainable development.

Our Principal Dr. Arijit Saha highlighted on the objectives of Centre and wished good luck for the future of centre. Shri Subhabrata Bhattacharya's courageous and enlightened words motivated students and delegates to delve deeper into the Indian's ancient knowledge system.

The ceremony concluded with felicitations to the guests and a vote of thanks by Durga Sankar Koyel.

The inauguration of the Centre for Studies and Research in Indian Knowledge System marks a significant milestone in the college's academic journey. The centre is poised to become a hub for interdisciplinary research, academic excellence, and cultural preservation.

Event Name: Three Day Lecture Series on Indian Knowledge System

Organized By: IQAC, DDMRM

Date: 28th February, 2025-1st March, 2025 & 3rd March, 2025.

Venue: Seminar Hall, Dum Dum Motijheel Rabindra Mahavidyalaya & Room No - 21A

No of Students Participated: 10

Dum Dum Motijheel Rabindra Mahavidyalaya successfully organized a three-day interdisciplinary lecture series that took place from 28th February to 3rd March, 2025. The event was designed to expose students and faculty members to diverse traditional Indian knowledge systems. Each day featured a lecture by a distinguished speaker who explored different aspects of Indian thought, literature, and philosophy. The series saw enthusiastic participation from students and faculty across departments.

Day 1: Lecture on "Indian Astrology – A Traditional Science"

Speaker: Shri Durga Sankar Koley

The lecture series commenced with an enlightening session by Shri Durga Sankar Koley, who delivered a talk on *"Indian Astrology – A Traditional Science."* He offered deep insights into the scientific and mathematical underpinnings of Indian astrology, tracing its development through ancient scriptures and Vedic literature. Shri Koley emphasized how astrological concepts were historically used not just for prediction, but also for guiding agricultural practices, rituals, and societal decisions. His talk helped bridge the gap between ancient wisdom and contemporary understanding, sparking much interest among the attendees.

Day 2: Lecture on "Science of Omens in Classical Sanskrit Literature"

Speaker: Dr. Sukanya Bhattacharjee

On the second day, Dr. Sukanya Bhattacharjee delivered a captivating lecture on *"Science of Omens in Classical Sanskrit Literature."* Her presentation focused on the role of omens (śakuna) in texts such as the *Mahabharata*, *Ramayana*, and other classical Sanskrit works. Dr. Bhattacharjee explained how omens were seen as signs from nature and divine forces, interpreted through a systematized and context-driven framework. Her interdisciplinary approach, linking literature, culture, and semiotics, enriched the audience's appreciation of classical Indian narratives and their underlying worldviews.

Day 3: Lecture on "An Introduction to Indian Philosophy"

Speaker: Mrs. Yeshmin Sultana

The final day featured a thoughtful lecture by Mrs. Yeshmin Sultana on *"An Introduction to Indian Philosophy."* She provided an overview of the six orthodox schools of Indian philosophy—Nyaya, Vaisheshika, Samkhya, Yoga, Mimamsa, and Vedanta—as well as heterodox traditions like Buddhism and Jainism. Mrs. Sultana discussed the relevance of

philosophical thought in modern life and emphasized the Indian tradition's focus on logic, ethics, metaphysics, and the pursuit of self-knowledge. Her clarity and depth of explanation made complex philosophical concepts accessible to students.

The three-day lecture series was a resounding success, offering a unique blend of tradition and academic inquiry. It created an engaging platform for students and faculty to explore ancient Indian knowledge systems from new perspectives. The Principal and organizing committee extended their sincere thanks to all speakers for their valuable contributions and expressed their intent to continue hosting such intellectually enriching events in the future.
