Report of One-day workshop on Outcome-Based Education

Date: 22nd May 2023

Venue: Institute Seminar Hall

Organizer: IQAC, Dum Dum Motijheel Rabindra Mahavidyalaya

Resource Person: Prof. (Dr.) Arijit Saha, IQAC Coordinator & Professor, Electronics & Communication Engineering, B. P. Poddar Institute of Management & Technology

Objective:

The workshop aimed to sensitize faculty members and stakeholders on the principles and practices of OBE and its implementation in higher education institutions. Prof. (Dr.) Arijit Saha, IQAC Coordinator & Professor, Electronics & Communication Engineering, B. P. Poddar Institute of Management & Technology, has enlightened the august gathering about various aspects of OBE. He introduced the concept of OBE, emphasizing the need for a student-centred approach, clear learning outcomes, and assessment criteria. He also shared best practices in implementing OBE, including curriculum design, teaching methods, and evaluation techniques. Participants engaged in interactive sessions, discussing challenges and solutions in adopting OBE.

Highlights:

The workshop featured technical sessions on various aspects of OBE, including:

1. Understanding OBE: This session defined OBE and its core principles, highlighting the importance of clear learning outcomes and assessment criteria.

2. Designing OBE Curriculum: This session focused on how to design a curriculum that aligns with OBE principles, including setting learning outcomes, assessment methods, and evaluation criteria.

3. Assessment and Evaluation: This session explored various assessment and evaluation methods that align with OBE, including rubrics, authentic assessments, and self-assessment.

4. Implementing OBE: This session shared best practices and challenges in implementing OBE
