### **Environmental and Energy Usage Certification Policy**

Dum Dum Motijheel Rabindra Mahavidyalaya recognizes the significance of environmental sustainability and efficient energy management. This policy outlines our commitment to obtaining certification from a reputable auditing agency, demonstrating our dedication to responsible environmental practices and energy efficiency.

#### **OBJECTIVES:**

##### **1. Environmental Management:**

- Implement measures to minimize the college's ecological footprint, including waste reduction, sustainable procurement, and conservation initiatives.
- Establish and adhere to environment friendly practices in day-to-day operations.

##### **2. Energy Efficiency:**

- Implement energy-saving technologies and practices to optimize energy consumption.
- Promote awareness and education on energy conservation among students, faculty, and staff.

##### **3. Certification Process:**

- Engage a recognized environmental and energy auditing agency to conduct a comprehensive assessment of the college's environmental practices and energy usage.
- Ensure the selected auditing agency follows international standards and is accredited for reliability.

##### **4. Audit Scope:**

- The auditing agency will evaluate the college's environmental impact, waste management, water conservation, and overall environmental sustainability initiatives.
- Assess the energy consumption patterns, identify areas for improvement, and recommend strategies for energy efficiency.

##### **5. Compliance Measures:**

- Address any identified non-compliance issues promptly and implement corrective actions.
- Establish a continuous improvement plan based on audit recommendations.

**ISO 9001:2015, ISO 14001:2015 and ISO 50001:2018 Certified Institution**

### **IMPLEMENTATION:**

#### **1. Selection of Auditing Agency:**

- Consider agencies with a track record of working with educational institutions.

#### **2. Audit Preparation:**

- Collaborate with the auditing agency to provide necessary documentation and access to facilities for a thorough assessment.
- Educate college staff on the audit process and the importance of cooperation.

#### **3. Post-Audit Actions:**

- Upon receiving the certification, publicly announce the achievement and display the certificate prominently on campus.
- Utilize the audit findings to enhance sustainability initiatives and improve energy efficiency.

### **Review and Renewal:**

#### **1. Regular Review:**

- Conduct periodic internal reviews to ensure ongoing compliance with the certification requirements.
- Make necessary adjustments to policies and practices based on evolving environmental and energy management standards.

#### **2. Renewal Process:**

- Plan for periodic recertification to demonstrate the college's commitment to sustained environmental and energy management excellence.

This Environmental and Energy Usage Certification Policy reflects the dedication of Dum Dum Motijheel Rabindra Mahavidyalaya to responsible environmental stewardship and efficient energy usage. By obtaining certification from a reputable auditing agency, we affirm our commitment to sustainable practices, inspiring positive change within our institution and beyond.

This policy will be effective from 01.08.2018
